

# Little Landmines Pet Waste Removal

## Prepared for: Kathleen Batista

Hi! My name is Jennifer and I'm the owner of Little Landmines Pet Waste Removal. Thanks for considering us to help with your waste removal needs!

I can definitely get a quote together for you. A little bit of information about us beforehand, we're licensed, insured and family owned! Our technicians also sanitize all equipment as well as their shoes in between properties, to prevent the spread of any illness or disease.

Our company is proud to have a diverse and inclusive workforce, including individuals with disabilities, as we ourselves are a family affected by autism! We also donate to local charities every month (\$5 from every new client goes to local nonprofits!) and we volunteer in the community. We encourage you to check out our social media platforms (Facebook, Insta & Tik Tok!) to see what we are up to.

I was able to verify your property size and our pricing for service is as follows:

First visit\* to remove any accumulated pet waste: \$50.

Weekly service is \$20 per visit. We would need the grass cut before the job starts, per our policies, we don't scoop if grass is too high, because so many landmines may not be visible.

If you have any questions, I'd be happy to go over anything at all!

If you'd like to sign up for service, just let me know and I'll get you all set up! Thank you so much!

\*Our initial visit (up to 60 minutes) will remove any pet waste that has accumulated over time. If it's a heavy duty pickup requiring more time, we will bill at \$10 per 15 minutes.

Happy Tails & Clean Yards,

*Jennifer Sparks*
