The Monthly Scoop

Little Landmines Pet Waste Removal * www.LittleLandmines.com * (866) 302-POOP

WELCOME TO THE MONTHLY SCOOP!

Welcome to this issue of Little Landmine's newsletter! It's April - time for April Fools', Autism Acceptance, and Easter! The Monthly Scoop is where we share contests, giveaways, trivia, Pet of the month, and more. Keep an eye out for future newsletters, as we'll be featuring different topics each month. We welcome any feedback for what you would like to see! Let's make this fun!

ADOPTABLE OF THE MONTH:

TEAGUE

Teague is a sweet and gentle girl who's ready to find her forever home. This 8-9 year old Lab mix has been through a tough time, but she's come out the other side with a heart full of love and a spirit that's stronger than ever. She is medium sized, at right around 50 lbs. Teague's got some great skills under her belt: she knows how to sit, play catch with treats, and walk beautifully on a leash. She's house trained, crate trained, and even gets along with cats! However, she's a bit selective when it comes to other dogs, so she'd prefer to be the only canine companion in the house. Interested? Contact Doggone Happy Animal Rescue via their website at:

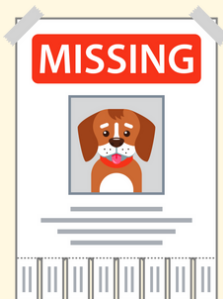

<https://www.doggonehappyde.com/contact-us>

GIVING BACK CORNER!

Did you know Little Landmines donates \$5 per new client each month to a local charity or organization in need? For March, we had a record breaking new client list of 20 clients, and donated \$100 to Therapeutic Animal Partners in Hartly, DE, towards funding the expenses of their therapeutic animal partners. These expenses include: veterinarian and farrier care, housing, blanketing, grain, hay, supplements & bedding! Please check them out online at: www.tntap.org/

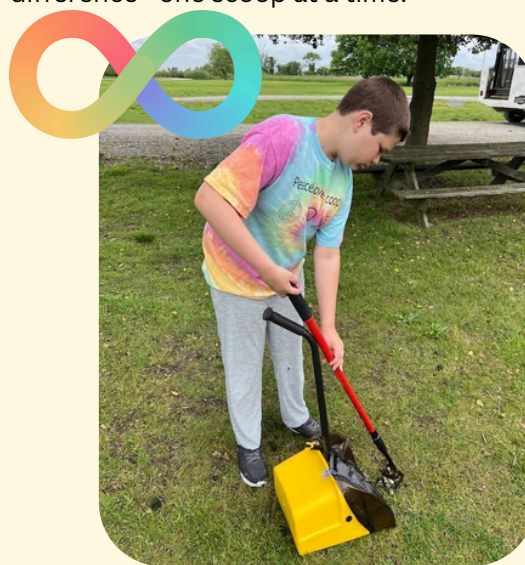

DID YOU KNOW?

We help keep pets safe with free microchip scanning for lost pets, just another way we care about your furry friends!

AUTISM, ADVOCACY, CLEANER YARDS: DYLAN'S IMPACT

Little Landmines is more than a pet waste removal service—it's built on inclusion and opportunity. Our son Dylan is autistic, and he's the reason we're passionate about hiring people of all abilities. We believe everyone deserves meaningful work, which is why we support adults with disabilities and partner with autism programs. Dylan has taught us patience, resilience, and the power of community. Every yard we clean is part of something bigger: a mission to make a difference—one scoop at a time.

TRIVIA CORNER!

What is the term a dog's third eyelid that helps keep their eyes moist and clean? Email us your answer at LittleLandmines@gmail.com. Our winner for March was Brian C., who was one of many of you who knew that the spring water puddles are called vernal pools! Thanks for playing, and please reach out to claim your \$25 credit on your next statement OR a Little Landmines tee!
