WELCOME TO THE MONTHLY SCOOP!

Welcome to this issue of Little Landmine's newsletter! It's September, time for school, Labor Day, the start of fall and more. The Monthly Scoop is where we share contests, giveaways, trivia, and more. Keep an eye out for future newsletters, as we'll be featuring different topics each month. We welcome any feedback for what you would like to see! Let's make this fun!

OUR NONPROFIT THIS MONTH!

Did you know the Little Landmines Foundation is officially up and running? Our mission is simple: to create Little Blasts of Kindness throughout our community by supporting local families, nonprofits, schools, first responders, animal rescues, and others in need.

Our first official project is for every new client from now until 9/25 (9 to 5....get it?) we will donate $10 to Dolly Parton's Imagination Library!

BASEBALL AND DOG FANS UNITE!

TONIGHT!!! Tonight at the Wilmington Blue Rocks, it's Pets in the Park with our friends at PAWS for People! We will be there with our pet waste stands for the four legged friends and their owners to use for little accidents! Will you be at this dog friendly game???

TRIVIA CORNER!

💩 Did you know? Dogs often spin before they poop — and research suggests they may prefer to line themselves up with Earth's magnetic field under certain conditions.

AIR B-N-B SERVICES!

Did you know Little Landmines offers pet waste removal services for pet-friendly beach rentals and Airbnbs? Whether you manage one vacation property or several, we can help keep your outdoor spaces clean, fresh, and guest-ready all summer long. A clean yard helps create a better experience for guests, protects your grass, and keeps future visitors (and their pups!) happy too.

ADOPTABLE OF THE MONTH:

BLAIR!

Mommy Blair! This lady has the biggest heart and after giving birth to her one kitten, took on 4 orphans, raising them all as her own. Blair is very vocal and wants to tell you all about her day. She is a very confident kitty that wants to make friends with other cats her age, and watch over/mommy any younger kitties. She can be quite forward with what she wants, and greeting other cats, but is never aggressive. Even if she's not having the best day, she will come running and purring if you tempt her with wet food or a treat or two. Come meet this sweet mommy and count the dots that make up her beautiful coat today. Blair is with Cheyla's Rescues in Bear, DE!
