

Hi Alice! Great to hear from you. We would love to help Shady Beach Kennels! We can certainly give you a quote or chat on the phone. I apologize, our quote forms online are geared at backyards and/or pet waste stand maintenance right now (I haven't added this service in yet!), so I won't send you that to look at right now! Currently, we have a couple of clients we do weekly pet waste cleanings for of their kennels, which is basically weekly pickup/removal of the dog waste. We found that the owners sometimes could use a hand with washing down the kennels, sanitizing and organizing, so we wanted to start offer a package deal to other area businesses.

I did do a bit of looking around on Google Earth and your socials, and looks like you have a really cute playground, a fenced area, and some smaller kenneled areas. I am not sure what he inside has! But I love your doggie pool and trampoline, so cute!

If you let me know a bit of info, like:

- * How many kennels you have, if any?
- * If you just have an open fenced space, do you know the acreage? (if not, we can find out!)
- * An average number of dogs in your car weekly (just a best guess if fine to start)
- * If you're looking for weekly/biweekly, etc?

I can also chat on the phone if you'd like, my son just started summer school this week and it's finally quiet in my house, except for my two dogs :). We would love to work with you and discuss more!

Just a little bit of information about us beforehand, we're licensed, insured and family owned! Our technicians also sanitize all equipment as well as their shoes in between properties, to prevent the spread of any illness or disease. We are proud members of APAWS, the Association of Professional Animal Waste Specialists.

Our company is proud to have a diverse and inclusive workforce, including individuals with disabilities, as we ourselves are a family affected by autism! We also donate to local charities every month (\$5 from every new client goes to local nonprofits!) and we volunteer in the community. We encourage you to check out our social media platforms (Facebook, Insta & Tik Tok!) to see what we are up to. We love helping our community and look forward to maybe helping Shady Beach! Thanks Alice!

- Jennifer Sparks, Owner
